Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of OHSU School of Medicine and Community Cancer Center. The OHSU School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit: OHSU School of Medicine designates this live activity for a maximum of 1.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Welcome to the 2023 Douglas County Provider Summit. Below are the Learning Objectives:

Dr. Cora Hart, Integrated Care in Medical Settings

- Discuss the pandemic impacts on mental health and how this affects healthcare
- Describe impacts specific to Oregon and Douglas County
- Define integrated care and present it on one potential way to address mental health shortages, provider burnout, and increased burdens on the medical system

Dr. Michael Marietta, Nonsurgical candidate for early-stage lung cancer treatment options

- Review of epidemiology for lung cancer
- Review of screening for lung cancer
- Review non-surgical treatment management of early-stage lung cancer including stereotactic body radiation therapy (SBRT)

Dr. Jenni Nix, Hemorrhoids for Primary Care Physicians

- Explain anal canal anatomy pertaining to hemorrhoids
- Identify differences in internal and external hemorrhoids
- Describe medical treatment
- Describe different surgical options
- Identify indications for surgical referrals

Dr. Timothy Powell, Impact on patient care decisions of critical shortages in rural Oregon

- Create awareness of statewide nursing shortage
- Understand gridlock created by inability to transfer patients
- Awareness of patient care and liability issues
- Impact of above on physician behavior

Dr. Simran Waller, Equity in Medicine

- Define health equity and its importance in medical education
- Discuss how systemic racism and bias cause health disparities
- Discuss the impact of cultural insensitivity and unconscious bias
- Assess the effects of initiatives meant to reduce health inequities
- Address how to promote health equity

Our annual event includes local medical providers presenting 5 topics of interest in a fast-paced format.

An opportunity for questions and networking at the conclusion of presentations is provided.

EVENING AGENDA

5:30 pm Social Hour - Wine & Appetizers
6:30 pm Provider Panel of Discussion

SPEAKERS | TOPICS

Dr. Tim Powell	Impact of patient care decisions of critical shortages in rural Oregon
Dr. Simran Waller	Equity in Medicine
Dr. Michael Marietta	Nonsurgical candidate for early stage lung cancer treatment option
Dr. Jenni Nix	Hemorrhoids for Primary Care Physician
Dr. Cora Hart	Integrated Care in Medical Settings

The **Douglas County Provider Summit** is a collaborative effort within the medical community to provide a venue for medical providers to have peer-to-peer discussions introducing what is new and upcoming in their field of practice.

The Roseburg Community Cancer Center (CCC) is spearheading a program through the collaboration of our community health care providers.

The event focus is to bring meaningful peer-to-peer interaction between health care specialties by getting provider input and involvement. The evening summit is an opportunity to restart conversations that were put on hold for the pandemic, discuss ideas and innovations, and collaborate to better support the health of the Douglas County community.

The presentation format will include a limited number of speakers with speed-round presentations for a 5 – 10 minute period. At the conclusion of the panel presentations the event will open up for a question and answer session and peer-to-peer networking.

Providers will be presenting from the following collaborating organizations:
